Dear Mike,

I wanted to take this opportunity to thank you for the beautiful work you did at our community wellness facility. I have received many compliments on how beautiful the facility looks. Our community and students have already received great benefit and enjoyment from the facility.

I want to personally thank you for your work, professionalism and communication on all aspects of the project. You and your firm were ideal to work with. I would highly recommend you to others and would be delighted to work with you on future projects.

You helped make our dream for the district and community a reality and again I thank you.

Sincerely,

Harry C. Mathias, Jr.
Superintendent
